12 July, 2016

Dear Parents,

School is organizing a "BOOK WEEK" from 18- 23 July, 2016 to focus attention of the students on the value of books and the habit of reading. This will further make the school community more library- conscious.

During the book week a variety of activities and programs will take place catering to the interests of each age group of students. Thus all the parents are requested to encourage READING HABIT among children at home also so that they can actively participate in all the library activities during book week.

PRE BOOK- WEEK- 11- 16 JULY

All the students will bring a book of their own choice to read during the week. They should complete the book by the end of the week. Students of class V-X can get a book issued from the library to read but they should maintain the book well.

BOOK- WEEK- 18-23 JULY

Various activities will be done like book making and writing quotations, class magazine, character sketch of the favourite character from the book, book mark, book jacket, to write the story with different endings, book- review & story dramatization etc.
